Discussion

Day Williams - candidate for Assembly District 40, which is all of Carson City and a small strip in southeastern Washoe. Day's focus now is the need to phase openings faster than Gov Sis is recommending. Day's Republican opponent was AD40 Assemblyman in the 2015 session, when the largest tax increase in NV history was passed by a Republican majority in both houses and signed into law by Republican Gov Sandoval. Day stands for no new taxes, repeal the Commerce Tax and as an advocate for the 2nd Amendment. Those of us with long memories will remember that horrible session and will support Day Williams.

Bruce Parks - Talked about 2 rallies planned and how he was blown away by the outpouring of camaraderie and good folks just wanting to show they care about the trampling of our Bill of Rights. On Easter Sunday, April 12, there was a slow caravan through Reno and down the old 395 to Carson City to shout, honk, wave flags and signs in front of the Gov's Mansion. Six days later on April 18, there was another rally caravan from south Reno down the old 395 to Carson and gathering around the Capitol. Probably 500-600 on the ground and another 100-200 in cars circling the Capitol with signs, flags and honks of approval. Some estimates were 1000 people.

Another rally is planned for this Saturday, April 25, 11:00am, at Rancho San Rafael Park. Participants will march down Sierra St to 1st St, over to Virginia, up Virginia to 9th and then back to Sierra and the Park. Monica Jaye will be the guest speaker. Click [HERE](#) for the flyer. Or go to FightForNevada.com website for a small map. Questions?: Call Bruce at 775-404-2112 or email 1nevadapatriot@gmail.com

Jeff Church - candidate for School Board A - At-Large position RenoTaxRevolt.com. Jeff could not join us today and believes he is preaching to the choir when he addresses this group and doesn't want to keep saying the same things over and over again to us. So he wanted to bring our attention to the fact the Eldorado County, CA, of which is South Lake Tahoe, now has orders to stop, interrogate and fine motorists in South Lake \$1000 unless in the area for an 'essential' purpose. Where is the ACLU? What is the virus threat of driving in your car or hiking in the open air of the Sierra for physical and mental health? <https://www.tahodailytribune.com/news/supervisors-nonessential-travel-to-lake-tahoe-could-bring-1000-fine/>

Jesse Hurley - US Congressional District 2 . Jesse's concern is constituent services, wherein our Congressman should be informed about who is hassling us citizens (ala South Lake Tahoe loss of freedoms) and why and he should be addressing it. The marches and rallies we are doing is getting us bad press and no one else is fighting for our right to assemble, as guaranteed in our 1st Amendment, and kudos to you all for standing up. The Party is fractured and we have to get it together. We believe in civil liberties, low taxation, smaller government, Party Platform and we should all rally around that, then we'll be a much better Party than the Dems could ever be. Jesse needs help getting his website up and running and would appreciate any amount you can give to paypal.me/hurleyfornv.

Greg Shannon - District Ct Judge, Dept 11 - Greg could not join us today. But wanted us to know that he is always happy to speak to anyone and answer any questions. Judges are non-partisan positions, but Greg is a Republican - the only Republican in a field of 3. In these strange times, campaigning has been limited. He's always looking for sign locations for either yard signs or the large 4 x 8s. Please contact

Greg.

Paul White - School Board G - ElectPaulWhite.com We are at the bottom of the nation in test scores. We award worthless diplomas because our graduating senior cannot get into most minimal college courses. There are no teachers on the School Bd and an unwise choice in Superintendent has just been decided because Kristin McNeill was the #2 person behind Tracy Davis the entire time Davis was Superintendent and things went so downhill. Look at where that got us. Paul has 2 decades+ experience teaching, working with at-risk kids and get awards for his accomplishments. We need to get the facts out to parents.

John Eppolito - School Board G - JohnforWCSD.com John has been following, tracking and haunting the halls of the WCSD for about 10 years now. The reason he has finally decided to jump into the race is that kids are getting hurt. There have been data-breaches, a suicide, and another student in rehab. Paul White is incorrect that there are no teachers on the School Bd. Ellen Minetto's entire career was in the WCSD and she sits on the Board of Trustees. On John's website, 3rd tab ("Why Is John Running?") and note that within that page, he links Ellen Minetto's website and her comments on data breaching and she's the only Trustee who has spoken out against it. If parents really knew what was going on, they wouldn't like it.

Sandra Linares - Assembly District 31 (Sparks) - Linares4AD31.com - Sandra is a passionate, committed Conservative. She is an Air Force veteran, mother of two and professor of Fraud Investigations at UNR. She is a 2nd Amendment advocate and her big issue is school choice. She has watched the Dem incumbent take her district to a place she knows is not what the constituents want. She has been door-knocking (safe distances being kept) and talking to the people. She will work hard for the people, as she will do whatever is necessary to get the job done and knows she would be an asset to her district because she can recognize fraud, waste and abuse in contracts and bills.
